

## FIXTURE TYPES: A (WOOD)

**General Notes:**

1. SM60LDL luminaire extrusion is mounted by installer provided anchors through  $\varnothing\frac{1}{4}$ " mounting holes in housing. Extrusion and gear tray assembly weighs 3 lbs. per foot and requires adequate support from the building structure.
2. This product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved.
3. Consult a qualified electrician to ensure correct branch conductor.
4. Do not connect to an underground supply.
5. Refer to Whitegoods SM60LDL Installation Instructions for additional installation information.

SM60LDL Section

Scale 1:5
